

ISIMS 2015

24th International Conference on Ion
Mobility Spectrometry

Short course 25-26th July

Conference 26-30th July

Córdoba (Spain)

CALL FOR PAPERS

The Conference

On behalf of the organizing committee of the 24th International Conference on Ion Mobility Spectrometry, it is our pleasure to invite you to Córdoba, Spain, 26-30th July 2015. The ISIMS series has established itself as one of the premier meetings for discussion and presentation of all modes of IMS techniques.

The conference will be located at the modern Congress Center (*Parador La Arruzafa*). The exhibition on instrumentation will form an integral part of the conference. It will provide a unique opportunity for contacts between conference participants and exhibitors. Companies interested in participating are invited to contact the exhibition organisers for further details.

We are looking forward to welcoming you to Córdoba.

Information for Authors

The meeting presentations include all aspects of the mobility, reaction chemistry, and behavior of ions in a supporting gaseous atmosphere and in an electrical field. Posters or presentations span a range of research and areas, including laboratory studies of biomolecules at comparatively low pressure, instrumentation for field and process monitoring, and measurements of samples for industry, the environment, medicine, and security. Also they are theoretical and experimental findings from fundamental and applied studies, touching on relevant aspects of chemistry, physics, geology, life sciences, and engineering. Presentations on novel instrument design, related new applications, and their validation are also welcome.

Potential Session Topics

Fundamentals of Ion Mobility Spectrometry	Applications of IMS
Metabolic / Pharmaceutical Applications	Poster Session
IMS Instrumentation	Vendor Exhibition
Air Monitoring	IMS-MS
Gas Phase Reactions	Detection of Energetic Material
Ion Transduction	Moisture-Mobility Relations

Deadlines for the conference

Abstracts should be submitted no later than April 17th 2015

Confirmation on the accepted abstracts will be announced no later than May 16th 2015.

For the processes of submission, see [Submission of Abstracts](#) on

<http://www.isims.info/>
